About

I started with a dream of a “lassier faire” life in France.

In 2015 I quit a string of well paid jobs to move to Nice, France. I had a few contacts and a spirit of adventure. I’ve lived in Nice, Aix en Provence, and Bandol (Southern France.)

I returned to the US for what I thought would be a visit. I remained for five years.

Thanks to my sojourn I was awarded the opportunity to obtain my degree and return to France, to continue my journey. Everyday brings a new opportunity , to refine my spirit.
